German Picnic by Iris Naguschewski

On August 3 the German Ladies' Fellowship with husbands and the Seniors Group had their annual outing. Again, like last year, we chose John Hendry Park at Trout Lake as our destination. But unlike last year, we did not have our luncheon in a restaurant but had a picnic instead.

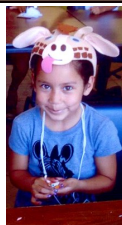

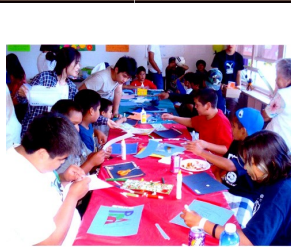

Manfred Schmidt grilled the sausages and the ladies brought potato salad, buns, iced tea and for our sweet tooth later in the afternoon, coffee and cake. It was a little cool but the weather stayed dry, even though we heard the thunder growling in the distance.

Manfred led us in a devotion highlighting the "MUSTS" in scripture. We think of the freedom we have in Christ but there are "MUSTS" listed. For instance: When the 12-yr. old Jesus was found by his anxious parents he said "I must be in my Father's house". Or Peter asks Jesus "how often must I forgive my brother?" So we had food for thought as well as our bodies. We sang a lot, played some games, were visited by policemen on horseback and fed a lonely stranger on a bike. The Lord willing, we'll do it again next year.

Korean Missions Trip

August 16-21 Pastor David Cho took 20 people from the Korean congregation to the Halalt Reserve on Vancouver Island for a week of ministry bringing VBS to the children and fellowship to the adults living on the reserve. This is their second trip to the same Reserve. Both the Korean children and the First Nation's children were happy to see each other again.
